

Tomberlin 2020 Vehicle Information – COMING SOON

E-MERGE SS

Available in 2 or 4 Passenger

When you're seeking the absolute pinnacle of performance and styling, try the SS which includes all the LE PLUS features and 14-in. aluminum wheels, premium upholstered seats with headrests and a phone pocket, and an all-new backlit headliner with Bluetooth stereo. Everything is standard, but there's nothing standard about it!

E-MERGE LE Plus

Available in 2 or 4 Passenger

For those looking for a step up, the LE PLUS features power steering, a two-speed key switch, 7-in. LCD display, fully-integrated rearview camera, 12' aluminum wheels with steel-belted radial tires, and two-tone luxury seats. It's kind of like we shrunk your automobile down to the size of a golf cart!
